

TECHNICAL DATA SHEET

BRASS COMPRESSION FITTINGS FOR POLY

Applications:

For pneumatic instrumentation, lubrication and coolant lines, and applications with other gases and fluids compatible with the tubing.

Working Pressure:

Dash Size	Tube O.D.	Up To PSI	Poly Tube Wall
-4	1/4	150	.040
-6	3/8	150	.062
-8	1/2	150	.062
-10	5/8	150	.062
-12	3/4	150	.062

Working Temperature:

-0°F (-17°C) to 150°F (66°C)
