

# TECHNICAL DATA SHEET

## HEAVY DUTY WING SERIES INTERCHANGE Q.D. (QD-BTTW)

**Applications:**Hydraulic

- Interchangeable with Aeroquip 5100 series and Parker 6100 series.
- Heavy duty wing nut or hex nut for easy connection.
- Thread-To-Connect.
- Dry-Break feature minimizes air inclusion and contamination of systems.
- Up to 3,000 PSI connected and disconnected.
- Ideal for use on hydraulic dump trucks, coal trucks, sand and salt spreaders and oil well equipment.

Styles May Vary  
Depending on Size.

Operating Pressure		Air Inclusion	Spillage
Size	(PSI)	CC. Max.	CC. Max.
3/4	3000	.34	.26
1	3000	.50	.35
1-1/4	2750	.68	.70
1-1/2	2750	.60	.94
