Spruce Engine Paint quickly restores the OEM appearance of automotive and marine engines and transmissions.

- * Resists blistering, peeling or checking at normal engine temperatures
- * Resistant to rust, heat and chemicals
- * OEM colors available

PRIMERS

98-15
Light Gray

98-16
Black

98-26
Red Iron Oxide

A specially formulated paint intended to be used on bare surfaces to improve the effectiveness of a finish coating.

- * Finish coat may be applied within 20 minutes
- * Use on most types of bare wood and metal surfaces
- * Sandable - gives finish coat a professional appearance
- * Top coat with any Seymour finish paint

**EXTRA FINE
FILTER**
eliminates clogging

**SAG-RESISTANT
FORMULATION**
resists sagging, even
at cooler temperatures

NOTE: Actual colors may vary in shade from colors shown here since colors are ink reproductions
