

Rock solid protection at a rock bottom price.

The Sperian A700 Series offers extraordinary value with the sporty style and protection you expect from Sperian Protection. The lightweight wrap-around 9-base lens design provides substantial coverage and a distortion-free 180° field of vision, while the universal nose bridge and soft temple tips provide a comfortable fit. These high-performance lenses are available in a number of tints to meet a variety of indoor and outdoor work applications. A protective hardcoat maximizes the life of the eyewear. Clear and TSR® Gray lens options are also available with Fog-Ban®, an anti-fog coating for humid conditions. When price and style matter, this is a must have in your safety eyewear lineup.
